

2010 -11 Report of Appreciation

John A. Stiles
Vice President of Institutional Advancement

Dear Alumni, Parents, Alumni Parents and Friends,

You may have heard the song "If I Had A Million Dollars," it's one that I've always thought was corny, however, I have found myself humming it and thinking about it lately. For the first time in De Smet Jesuit's history, our annual giving program (the Annual Fund, Odyssey Auction and Tradition Golf Tournament) raised over a million dollars--\$1.04 million to be exact.

In addition to our Annual Giving program, we also had several "restricted" gifts, which are given for a specific purpose. One of the more generous gifts this year was \$100,000 from the Wunderli brothers (Brian '75, Greg '77 and Mark '81), earmarked to improve our weight room and locker room facilities. We also started a reunion scholarship fund, asking each member of the reunion classes to make a gift, in addition to their annual gift, during their reunion year to establish a scholarship in their class's name. The scholarships are invested as part of our endowment and interest generated is pooled with other class scholarships to provide financial assistance to a student who has a documented need the following year. The principal remains, to eventually grow into a fully-endowed scholarship in future years.

These gifts were instrumental in bringing total fundraising for the fiscal year to **\$1.4 million!**

There are many who deserve credit for that accomplishment, certainly all of those listed in this report, but also our Odyssey Auction co-chairs Jane Schwendeman and Cindy Backes, our Tradition Golf Chairs Kevin '77 and Rob Klingler '80, and five people I have the pleasure of working with every day, Sue Adams, our Director of Special Events; Don Albert, our Director of Alumni Relations; Ann Beermann, our Director of Annual Giving; Heather DeHart, our Director of Public Relations and Communications; and Kathleen Laury, our Development Associate who oversees our data management.

With the start of a new fiscal year July 1, the counter re-set to zero. This year the Institutional Advancement (Development) team is charged with raising \$1.1 million for our Annual Giving program. While a tall task in these economic times, with your support, we are up for the challenge!

I want to take this opportunity to update you on a couple of changes we are making this year and next in the way we recognize donors. In the past, inclusion in the different levels of our giving societies was based upon

gifts to the Annual Fund alone. This fiscal year, (July 1, 2011 – June 30, 2012) we will total all cash gifts and base inclusion in the giving societies upon total cash gifts received.

Next year, we are reducing the number of giving society levels from 12 to six. The chart on the opposite page illustrates the different societies for this year and next year.

Since we will now be totaling all cash gifts for these societies, the Blackrobe Society giving level next year will be raised from \$1,000 to \$1,500. Since its inception, about 30 years ago, the Blackrobe Society giving level has remained unchanged, and this adjustment is being made after serious thought and discussion. We intend to keep these giving society levels for many years to come as well.

In the past, our Magis Society has been tied to the GAP (the difference between the cost to educate a student and what is actually charged for tuition). Starting next year, the Magis Society level will be a set dollar amount rather than tied to the GAP. This change is being made in response to our goal of closing the GAP, and hopefully getting that amount at or below the Blackrobe dollar amount.

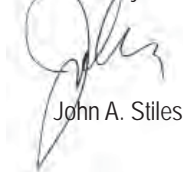

Hopefully, these changes won't be too confusing and will be received positively. While we weren't able to consult with everyone, we did survey 40 of our alumni Blackrobes and made these changes based upon their feedback.

If you have any questions or comments on any of these changes, please do not hesitate to contact me or Ann Beermann.

Finally, if you're an alumnus, please stop by the campus for a visit, or to lead the Friday morning prayer. If you are a parent, thank you for entrusting your son's education to us. To everyone who supported De Smet Jesuit this past year by donating their time, talent or treasure, THANK YOU!

We hope we have demonstrated good stewardship and will again earn your support this year.

Sincerely,

John A. Stiles

The Vision of De Smet Jesuit High School, as an exemplary school in the Ignatian tradition, is the pursuit of the Magis in all our endeavors.

- † We are a Catholic, faith-filled, diverse learning community, unswerving in our commitment to the teachings of Jesus Christ and the educational ideals and pedagogy of St. Ignatius of Loyola.
- † All students seek to grow in the ideals of the Graduate at Graduation by becoming Men for Others – men of competence, conscience, and compassion “who cannot even conceive of love of God which does not include love for the least of their neighbors.”
- † Our community welcomes students and their families, faculty and staff from all cultural, racial, social, geographic and economic sectors of the metropolitan area.
- † All students eagerly embrace the responsibility of helping their fellow students succeed, since together they form a brotherhood through their commitment to the person of Jesus Christ.
- † Our college preparatory academic program, co-curricular program and school facilities are unsurpassed and provide a foundation for each student to be accepted at an institution of higher learning consistent with his intellectual abilities and personal interests.
- † Every member of the faculty, staff, and administration brings passion and energy to his or her ministry of teaching, models the values of the Graduate at Graduation, and is totally dedicated to cura personalis and the development of his or her students as whole persons – mind, body, and spirit.
- † All adult members of our community – parents, alumni, faculty, staff, administration, trustees and friends – are active and engaged partners for life in the mission of the school.

Press Box Dedicated in Memory of Coach Bob "The Bear" Christian

On Thursday, August 25, the evening prior to the 2011 kick-off of the Spartan football season, many former Spartans gathered at LaBarge Stadium to honor their former coach, the late Bob "The Bear" Christian, by dedicating the press box in his honor.

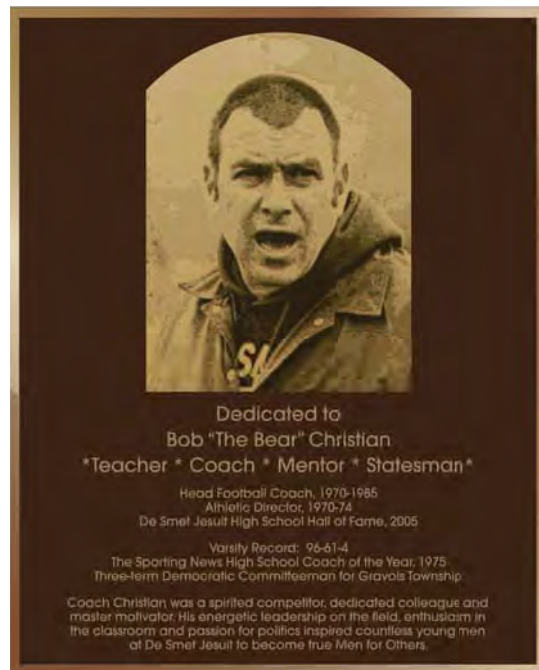

Christian, who served as a teacher and coach at De Smet Jesuit for 15 years, died in June, 2009. He compiled a 96-61-4 record as football coach for the Spartans, the best record of any football coach in school history. He guided De Smet to a state runner-up finish in 1975 and to the playoffs five times.

A reception was held prior to the dedication ceremony, when a plaque recognizing Coach Christian's achievements was unveiled.

The memorial was part of the "Get In The Game" drive, with more than \$300,000 raised to name the press box in memory of Coach Christian.

Left: Members of the Bob Christian family unveil a plaque, located on the side of the Bob Christian Memorial Press Box, commemorating Coach Bob "The Bear" Christian's legacy at De Smet Jesuit. The plaque can be viewed below.

Get in the Game Campaign

Thank you to the following donors for their participation in the "Get in the Game" Campaign, which funded the installation of FieldTurf playing surface at LaBarge Stadium and an eight-lane Mondo FTX surface, construction of a new press box and Alumni Pavilion. The baseball facility was also upgraded during the campaign, adding dugouts and press box and storage for field maintenance.
