# DE SMET PARKING POLICY

Parking on the De Smet campus is a privilege and can be taken away if students violate this policy. Permission to park on the De Smet campus is limited to junior and senior students, faculty, staff and visitors. **SOPHOMORES MAY NOT PARK ON CAMPUS, AND NO STUDENT IS ALLOWED TO PARK IN NEARBY NEIGHBORHOODS OR IN PLACES OF BUSINESS WITHIN THE VICINITY OF DE SMET.** Juniors and seniors must purchase a parking pass from the office of the Dean of Students. The parking tag (one tag per space) is supplied by De Smet. The tag is to be visible through the windshield of the parked car (hanging from the rear view mirror with the printed matter facing outward) at all times while on the parking lot or the vehicle is subject to fines and/or towing at the student's expense. Permits can be moved from one family car to another or from one carpool vehicle to another, but all cars using a single permit must be registered when the permit is issued, when a new car is purchased, or when a new license plate is issued. If a student's permit is lost or stolen, he is required to purchase another permit at full price.

The penalty for parking without a school-issued permit is \$50. Of the \$50, \$40 will go toward the purchase of a parking permit - if available. Illegal parking (in the fire lanes, handicapped area, faculty spots, etc.), parking in the lot of neighboring businesses, on the streets in neighboring subdivisions, or failing to display the proper permit will result in a \$10 fine. Fines will double with each violation. Students that manufacture "false" tags, use one not issued by the school, or display tags stolen from another vehicle, will be fined and driving privileges may be suspended or revoked. Please remember, there are no warnings when it comes to parking fines. The first offense will result in a fine.

Parking spots are not reserved, but the school reserves the right to specify what parking can be used by seniors, certain students and teachers. De Smet Jesuit High School does not guarantee that a parking space will be available at all times for use by all students. The student assumes the risk of any loss or damage to the vehicle or personal property, including but not limited to damage caused by fire, theft, acts of any third parties or any other causes. In no event will De Smet be liable for, and the student hereby waives all claims against De Smet for student's consequential damages, loss of income or profits or loss of use of the vehicle. Neither the student nor his parents shall hold De Smet, its agents or employees liable for damages or injuries caused by a student or another student's vehicle. If the student fails to comply with any of the terms and conditions of this policy, De Smet has the right to immediately take away any and all driving privileges without prior notice to the student.
