

DE SMET JESUIT HIGH SCHOOL

Parent and Student Handbook

Parents:

The information in the *Student and Parent Handbook* is essential for the efficient operation of the school.

Please review this handbook and discuss the guidelines with your son. Each student and his parents must sign the signature form and return it to De Smet. Signing this form indicates that both the student and his parents have read the handbook, including policies regarding acceptable use of computers, and agree to abide by these policies. All students must return this signed agreement. In an effort to communicate more efficiently, De Smet is requiring at least one current parent/guardian e-mail address.

Your son is to return this signed form to his homeroom teacher during the first week of school. Tuesday, August 30, 2011, is the deadline. Students will be removed from the De Smet network if they have not returned this form by August 30, 2011. There may be a 24-48 hour delay in receiving network privileges if a signed agreement is returned after that date.

Additionally, an electronic version of this handbook is available at www.desmet.org.
