

Meal Card Request Form

De Smet Food Service will continue to use a prepaid meal card system in the cafeteria in lieu of a cash payment system for the 2010-2011 school year. As a convenience to freshman parents, these cards can be purchased in advance of the start of school and funds added so that your son is ready to go when school begins in August. Please complete the information below and indicate how much you would like to add to his card. New cards can be picked up in the cafeteria/kitchen on the first day of school.

For returning students, additional funds can also be added to their existing cards in advance of the start of school. Please complete the form below including the number from the back of your son's card.

Please include a check made payable to Food Service Consultants and mail to:
