

Best of Both Calendars

Calendars in [OnCampus](#) (our private website) now link to our public website at www.desmet.org > Calendar button. This allows for easy searching in both platforms, customizable views, dynamic updates, and maximum benefits.

OnCampus (Private Website)

<https://desmet.myschoolapp.com>

Log into our private website:

- to see school events next to student schedules

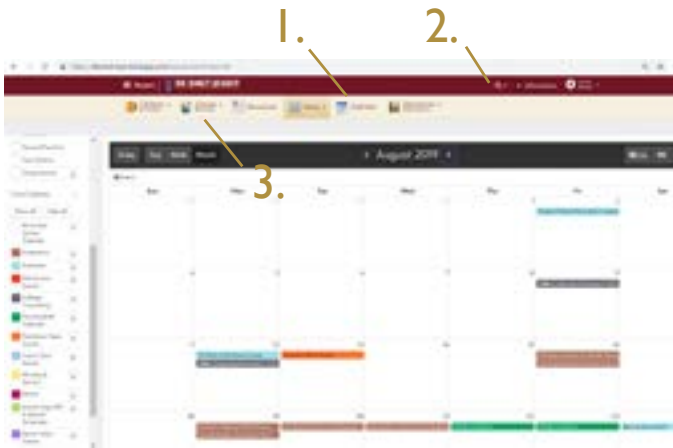

Public Website

<https://www.desmet.org/> > Calendar button

Subscribe to your favorite calendars from public website:

- to store the calendar name in your family calendars

3 Ways To Find Dates

1. OnCampus: Calendar Icon

Choose your view options and change the filters to see calendars of interest to you.

2. OnCampus: Search Tool

Use search tool icon (magnifying glass) and type words such as “exam” to find all items with this word. Click Events tab to see only calendar items.

3. OnCampus: Group > Parent Pages

To see pre-sorted items relevant to your son’s class, go to Group and choose your class parent page(s).

Choose Your Calendars

All-in-One School Calendar

To see all school events at once, choose this calendar.

Individual Calendars

To see specific calendars, turn off All-in-One School Calendar, then click calendars of interest.

Recommended Calendars (Minimum)

- School Days Off & Special Schedules
- Parent
- Class Events (FR, SO, JR, SR) for your son

How To Add Dates To Your Family Calendars (phone and/or desktop)

1. Go to public website:

<https://www.desmet.org/news-events/calendar>

We recommend you subscribe to calendars from the **public** website at <https://www.desmet.org/news-events/calendar> because this allows the calendar name to appear clearly.

2. Click grey RSS feed icon.

3. Scroll to calendar(s) you wish to subscribe to and click on green iCal button. NOTE: On a mobile device you may have to scroll to the right to see this. →

4. Add to Default Calendar App (or get URL).

Please allow a few hours for dynamic updates to appear.

2.

3.
